

## NAGICO 2012 Agents Conference and Awards

The 2012 NAGICO Christmas Dinner and Employee Awards dinner was nothing short of successful. Management, staff and agents of NAGICO came out elegantly dressed with their respective guests and family to participate in the event.

The event followed the annual Agents Conference which featured an inspiring motivational presentation and workshop by published author; Leslie Bendaly whose theme was focused around 'Connect'. She used humorous video clips, quotes and excerpts from motivators like Will Smith and her book "*Winner Instinct*".

All this was reinforced by CEO of the NAGICO Group; Imran McSood Amjad, in his address at the Awards dinner in which he thanked his employees, agents and family collectively for their efforts and hard work which has transformed NAGICO into a leading regional insurance provider. Mr. McSood took a moment to remind his

audience that when each person, no matter how irrelevant their task may seem, performs it to the best of their abilities, we all succeed.

## NAGICO collaborates with the St. Maarten Police Force

Everyday around the world, at least 3,500 people are killed in violent road accidents. Unfortunately in St. Maarten we are faced with several annual fatalities, some that could be prevented. The frequency and severity of these accidents is reason for concern. Therefore NAGICO supports the 'Safety Starts With You' campaign the St. Maarten Police Force embarked on .

The campaign is aimed towards creating awareness and changing driving behavior in an effort to minimize the number of road fatalities and traffic accidents. This road safety campaign will run for a course of 6-12 months during which billboards, road signs, ads and posters will be used to communicate road safety messages to the general public.

NAGICO will also be getting the community involved in raising awareness for this cause by having local businesses participate in a Road Safety Basketball Tournament. This will allow companies in St. Maarten to all meet together for a fun and exciting event for a good cause. All proceeds from this event will go towards creating

billboards and signs for the "Safety Starts with You" campaign.

You too can take part in raising awareness for this cause by being a good example to other drivers on the road. Be a responsible driver by wearing your seat belt, not using your phone while driving and not driving under the influence.

## Road Safety Tips

Don't use your phone while driving. Whether it's a quick call or just reading a short message, using your phone while driving can distract your attention from the road and lead to accidents.

Be sure to always wear your seat belt even if you're sitting in the back seat, unbelted rear passengers could kill or seriously injure the front seat passenger and driver in the event of a collision.

Don't drink and drive if: you've had a drink or two be sure to have a friend drive you home. Any alcohol even a small amount could impair your driving.

Don't Speed.

Observe and anticipate other road users and use your mirrors regularly.

Always keep a one car gap between you and the car in front.

Be sure to wear a helmet when riding a motor cycle.

*Why Choose  
NAGICO Auto  
Insurance?*

*Road Safety Tips*

Give preference to pedestrians; especially children and pregnant women.
