NAGICO's Generosity in the Aruban Community

ORANJESTAD, Aruba - Last year NAGICO celebrated its 30th anniversary. During the celebration in Aruba, Mr. Imran McSood-Amjad, NAGICO Group CEO, made a special donation to the community of Aruba. With assistance from the Minister of Economic Affairs, Social Affairs and Culture, Michelle Hooyboer-Winklaar and Minister of Justice and Education, Mr. Drs. Arthur Dowers, NAGICO has decided to divide this generous contribution amongst a few organization which are in need of funding for certain projects and would benefit a great deal from such generosity.

Recently the first donation was presented to the Bon Nochi Drumi Dushi, which is a foundation that helps motivate children to read at home in order to stimulate their imagination and communication skills and build stronger relations with their parents. The contribution will go towards making Bon Nochi Drumi Dushi website more interactive, dynamic and attractive to a young audience. The foundation's president, Olga Buckley, expressed how delighted she was when presented with the cheque.

The second donation was made towards Jeanne d'Arc, which is a scouting group for girls between the ages of 4 to 18, which has been in existence for at least 60 years. The donation was brought on a surprise visit to Jeanne d'Arc, Anneline Tromp-Diaz who is one of Savaneta group's 10 leaders, expressed how grateful they were and how much they appreciated NAGICO's kindness. During the surprise visit NAGICO representatives and Minister Michelle Hooyboer-Winklaar were invited to take part in a few fun activities with the girl scouts.

There are still more organizations in Aruba that will be receiving surprise visits for donations from NAGICO. This is one of the ways that NAGICO would like to show its gratitude and appreciation towards its customers and give back to the community that has given NAGICO continuous support throughout the years in which it has served its customers.

First Annual NAGICO to NAGICO Cycling Race in St. Martin

MARIGOT, St. Martin – NAGICO joined together with Velo Club de Grand Case to organize the first annual NAGICO to NAGICO Cycling Race. A total of 27 riders from five clubs took part in the event along with professional star riders Nicolas Dumont winner of 2009 Tour of Guadeloupe and 2012 Tour of Marie Galante and Ludovic Turpin winner of 2012 Tour of Guadeloupe.

The event consisted of two stages a 5K time trial took place on the Saturday and the main event which was a 105K cycling race around the island took place on the Sunday. The race started at NAGICO Head Office in Philipsburg, St. Maarten at 8:00am and the riders took on an intense course around the island and ended at the NAGICO branch office in Marigot, French St. Martin at 11:00am. The event ended with a short children's race which six future cyclists participated in.

The overall winner of the weekend's event was Nicolas Dumont who had a total time of 3 hours 04:47. Trophies and cash prizes were awarded to the winners. The turnout of the event was an overall success and NAGICO looks forward to making this into a yearly event and hopes to grow the race over the years by adding categories to the event.

Preparation Tips for Hurricane Season

Hurricane season is just around the corner, how prepared are you? Do not wait until it is too late, it's important to always be prepared and take caution well in advance during this time of year. We would like to give you some tips to help ensure the safety of your home and belongings during this time.

- ✓ Prepare an emergency box in a plastic storage container be sure to include items such as a first aid kit, flash light, batteries, small portable radio, candles and matches.
- ✓ Stock up on canned or packaged food that won't spoil and water enough to last a week.
- ✓ Determine a safe spot with no windows where you can remain safe throughout the storm.

✓ Gather all important documents and things that would be difficult to replace and store them in waterproof plastic bags or containers.

✓ To prevent major damages from a hurricane make sure to do a routine maintenance check on your home. Check to see if there are any structural problems that need repair and make sure to fix them before to avoid further damage to your home.

✓ Have hurricane shutter installed for your home or be sure to board up your windows before a hurricane.

Also be sure that you have the necessary insurance policies to insure your home and your belongings within your home from damages caused in the event of a hurricane. If you rent your home, renter's insurance will insure the items inside your home. If you are a homeowner, make sure your home and its contents are properly insured – flood and wind damage are not cover in a basic homeowners policy. Check your homeowner's policies make sure it is up to date and that your premiums have been paid. Be sure to videotape the contents of your home.
